Kennesaw, GA – December 23, 2015 – Auto Plus President and Chief Executive Officer Brent Windom today announced the acquisition of four Quality Automotive Warehouses locations in southern New Jersey and eastern Pennsylvania. The acquisition includes three stores and one warehouse, serving as incremental growth for the company in both markets.

“The acquisition of these four locations are a strong extension of our existing Philadelphia and New Jersey area store and warehouse group,” said Windom. “We are aggressively looking for acquisition opportunities like this that increase the density of our footprint.”

The acquisition was finalized on December 21, 2015.

Windom added, “This announcement follows our most recent acquisition of East End Auto Parts in Hagerstown, Maryland. Our rapid growth plan targets key markets that bolster our position within the industry. We are well-positioned for this level of expansion.”
